

BIOMEDICAL SCIENCE FOR THE BENEFIT OF SOCIETY

## Front- End Developer - EGA *Centre for Genomic Regulation (CRG)*

### The Institute

The Centre for Genomic Regulation (CRG) is an international biomedical research institute of excellence, based in Barcelona, Spain, with more than 400 scientists from 44 countries. The CRG shares principles of an interdisciplinary, motivated and creative scientific team that is supported by high-end and innovative technologies and a flexible and efficient administration.

In November 2013, the Centre for Genomic Regulation (CRG) received the '[HR Excellence in Research](#)' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct for the Recruitment of Researchers](#) (Charter and Code).

[Please, check out our Recruitment Policy](#)

### The role

The new team member will contribute to the daily operations of the department, developing new features and deploying new services with the goal of bringing value to the huge assets that EGA is hosting, providing more sophisticated services to the EGA user community.

### About the team/ lab/ department

The Center for Genomic Regulation (CRG, [www.crg.eu](http://www.crg.eu)) in Barcelona is co-managing the EGA (European Genome-phenome Archive, [www.ega-archive.org](http://www.ega-archive.org)) in partnership with the European Bioinformatics Institute (EBI, [www.ebi.ac.uk](http://www.ebi.ac.uk)) to explore and develop joint services based around human biomolecular data and its associated phenotype information. EGA is an ELIXIR ([www.elixir-europe.org](http://www.elixir-europe.org)) Core Data Resource and ELIXIR Recommended Deposition Repository and an ELIXIR Spain ([www.inab.org](http://www.inab.org)) Service. It is supported by ELIXIR Spain, the Barcelona Supercomputing Center (BSC, [www.bsc.es](http://www.bsc.es)), the Universitat Pompeu Fabra (UPF, [www.upf.edu](http://www.upf.edu)) and is based at the Barcelona Biomedical Research Park (PRBB, [www.prbb.org](http://www.prbb.org)). The EGA is involved in many precision medicine initiatives and projects and looking forward to provide advanced services for that community. The EGA team is steadily growing with developers, curators and system administrators

### Whom would we like to hire?

#### Professional experience

##### Must Have

- You have 2 years of experience in web development
- You have proven experience in PostgreSQL, Java (especially with the Spring Framework), Python and PHP.
- You have proven experience around microservice architecture

##### Desirable but not required/ Nice to have

- Python skills: Django and AsyncIO

### Education and training

- You hold a Higher Level Education Cycle

### Languages

- You are fluent in English

### Competences

- You have highly developed organization skills

### The Offer

- **Contract duration:** 1 year with the option to be extended for an additional 2 years
- **Estimated annual gross salary:** Salary is commensurate with qualifications and consistent with our pay scales.
- **Target start date:** As soon as possible

We provide a highly stimulating environment with state-of-the-art infrastructures, and unique professional career development opportunities.

We offer and promote a diverse and inclusive environment and welcomes applicants regardless of age, disability, gender, nationality, race, religion or sexual orientation.

The CRG is committed to reconcile a work and family life of its employees and are offering extended vacation period and the possibility to benefit from flexible working hours.

### Application Procedure

All applications must include:

1. A motivation letter addressed to Mr. Jordi Rambla.
2. A complete CV including contact details.
3. Contact details of two referees.

All applications must be addressed to Mr. Jordi Rambla and be submitted online on the CRG Career site - <http://www.crg.eu/en/content/careers/job-opportunities>

**Deadline:** Please submit your application by 6<sup>th</sup> of September, 2019

Esta actividad está financiada por el ISCII del Ministerio de Economía y Competitividad, referencia ISCIII PE 2013 - 2016 AAEE, cofinanciada por el Fondo Europeo de Desarrollo Regional "Una manera de hacer Europa"
